☒ Yes ☐ No: Will the PHA’s program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria? If yes, list criteria below:

1. Section 8 Eligibility Criteria

Applicants for the homeownership option must meet all of the requirements for participation in the Section 8 Tenant Based Voucher program and complete at least one full-year lease on the Section 8 Tenant Based Rental Program.

2. Income Requirements

Applicants will be required to demonstrate sufficient income to meet a minimum income standard, which is intended to assure that the family will have sufficient income to pay homeownership and other family expenses not covered by the Section 8 subsidy. At a minimum, the gross annual income of the adult family members who will own the home at commencement of homeownership assistance must equal at least the Federal minimum hourly wage multiplied by 2,000 hours. This requirement only applies at the time of the initial determination of eligibility.

Except for the elderly or disabled family, income counted toward meeting this requirement may not include welfare assistance. For elderly or disabled families, welfare assistance shall count in determining whether the family meets the minimum income requirements for homeownership assistance.

The disregard of welfare assistance only affects the determination of minimum monthly income used to determine if a family initially qualifies for commencement of homeownership assistance, but does not affect:

- a) The determination of income-eligibility for admission to the voucher program;
- b) Calculation of the amount of the family’s total tenant payment; or
- c) Calculation of the amount of homeownership assistance payments on behalf of the

family.

3. Employment

Except for elderly or disabled families, the family must demonstrate that one or more adult members of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (not less than an average of 30 hours per week), and has been continuously so employed during the year before commencement of the homeownership assistance for the family.

SCHA will consider this requirement to have been met by successive employment during the year in there has not been more than one break in employment of two weeks or more. SCHA will also consider this requirement to be met by self-employment in a business.

This requirement shall not apply for an elderly family or disabled family. Furthermore, if a family which is not elderly or disabled includes a person with disabilities, SCHA may grant an exemption from the employment requirement if it is determined that an exemption is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR part 8.

4. First-time Homeowner Requirement

This program will be limited to first-time homeowners. "First time homeowner" precludes any present ownership interest in any residence or in the last three years. However, a family may purchase a unit that it has occupied under a lease-purchase agreement. This program may also provide assistance to a family that owns or is acquiring shares in a cooperative. It may be used by a family that is a first time cooperative homeowner or a family that owned their cooperative unit prior to receiving Section 8 assistance.

The term "first-time homeowner" includes a single parent or displaced homemaker who, while married, owned a home with his or her spouse, or resided in a home owned by his or her spouse.

This requirement shall not preclude a family receiving homeownership assistance from moving to another home with continued Section 8 homeownership assistance within the 15- or 10-year limit of assistance, which shall be cumulative. However, the head of household, and any spouse of the head of household, that has previously defaulted on a mortgage obtained through this homeownership program is barred from receiving future Section 8 homeownership assistance.

5. Homebuyer Education and Post-purchase Counseling

Prior to receipt of Section 8 homeownership assistance the family must attend and satisfactorily complete the pre-assistance education. Post purchase counseling will be tailored to homebuyer needs. The pre-assistance education will include, but not be limited to:

- a. Budgeting and money management;
- b. Credit counseling;
- c. Fair Housing information;
- d. How to find a home, including information about homeownership opportunities, school, and transportation;
- e. The advantages of purchasing a home in an area that does not have a high concentration of low-income families;
- f. How to negotiate the purchase price of a home;
- g. How to obtain homeownership financing and loan preapprovals, including a description of types of financing that may be available, and the pros and cons of different types of financing, and the dangers of predatory lending;
- h. Choosing Insurance;
- i. The Title Company's role;
- j. Home and yard maintenance.

6. Prior Participation in Homeownership Option

A homeowner family may purchase another home with Section 8 assistance. However, except for the first-time homeowner requirement, all homeownership requirements applicable to the first home purchase remain applicable to any subsequent purchase, and the cumulative assistance shall not exceed the 15 or 10-year limit on Section 8 homeowner assistance. Furthermore, the head of household, and any spouse of the head of household, that has previously defaulted on a mortgage obtained through this homeownership program is barred from receiving future Section 8 homeownership assistance.

7. Calculation of Amount of Assistance

The amount of assistance to be provided to the applicant family will be calculated using a modified voucher program payment standard approach. While the family is residing in the home, Sedgwick County Housing Authority shall pay a monthly homeownership payment to the family that is equal to the lower of:

- a. The payment standard minus the total tenant payment; or
- b. The family's monthly homeownership expenses minus the total tenant payment.

The payment standard for the family is the lower of:

- a. The payment standard for the family unit size; or
- b. The payment standard for the size of the home, and
- c. The greater of the payment standard at the commencement of homeownership assistance or at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance.

For the purpose of the homeownership program, Sedgwick County Housing Authority will use the same payment standard schedule, payment standard amounts, and subsidy standards as for the Section 8 Voucher Rental Assistance program.

The family's monthly homeownership expenses will be limited to the following:

- a. Principal and interest on the first and second (as applicable) mortgage debt and any mortgage insurance premium incurred to finance purchase of the home and any refinancing of such debt;
- b. Real estate taxes and public assessments on the home;
- c. Home Insurance;
- c. The cost of premiums for a maintenance reserve program;
- d. A utility allowance determined according to the schedule of utility allowances for the Section 8 voucher rental assistance program;
- e. Principal and interest on debt incurred to finance costs needed to make the home accessible for a family member, if SCHA determines that the allowance is needed as a reasonable accommodation;
- f. If the home is a cooperative or condominium unit, operating charges or maintenance fees assessed by the condominium or cooperative homeowner association.

The Housing Authority will annually reexamine family income and composition and make the appropriate adjustment to the monthly assistance amount.
